### Jeff Mills, Surgeon, Horse Meat Disco

We're not sure if it's just the cool breeze, but the line-ups feel a little fresher this weekend in Berlin. This evening, the veritable virtuoso that is Jeff Mills will be exploring one of his many facets for a night of Club Contemporary Classical at **Berghain**.

Meanwhile the following evening, another multifarious techno practitioner, Birmingham's Surgeon, headlines **Maria's** Electrodes & Wires party alongside T++. And if this all sounds a little, you know, serious, swing by **Tape** on Saturday where fabulous London disco crew Horse Meat Disco will be taking up the reigns of their residency.
